

THE WAY LIFE SHOULD BE LIVED

20-26 MAY

KZN saw an influx of the “who’s who” of the tourism industry with the annual Indaba hosted here. Prince’s Grant were fortunate to host a few international tour operators who were pleased with our facilities and what’s on offer. The initial response from tour operators is that the

new airport will have a positive effect on Prince’s Grant for both the golf course as well as the Lodge.

On both the estate as well as the golf course, we are in the process of upgrading some of our infrastructure, in particular road edges on the estate. Homeowners

would have noticed the large stock pile of soil west of the 9th fairway. The soil will be used to create two target greens on the embankment between the 9th & 7th holes for our golf warm-up area.
