

THE WAY LIFE SHOULD BE LIVED

04 - 10 NOV 2010

Dear Homeowners

The holidays are approaching fast and our estate and golf teams are busy with a number of projects to improve on the amenities during the holidays. The main items currently under construction are the beach parking areas and access to the temporary beach facility that will be in place during the December holidays. On the golf course, our teams are busy with leveling of tees, installing new irrigation on certain holes, building cart paths and completing the warm-up practice facility between the 7th and 9th holes. The Golf Course is in very good condition but sadly the 3rd hole in particular is taking its own time to recover from the "ground pearl" infestation.

During the remaining weeks leading up to the holidays,

homeowners will receive additional requirements with regard to houses that will be rented out. Our Security Committee and Board of Directors are anxious to ensure that everyone using Prince's Grant during this holiday will enjoy the amenities to the fullest. This however does require that everyone abides by the rules set to achieve this objective. Parking of vehicles on road verges, the use of golf carts, the amount of people occupying a specific home will all be discussed in more detail.

Our monthly statements are in the process of being prepared and our next newsletter will accompany these statements.

Christopher is doing well and sends his regards to everyone!

Thanks to everyone for their support.

Shantal Kanipan, one of our duty managers, will be married in Stanger on Saturday. We wish Shantal and Rodney all the very best for their future together. We will be doing the flowers for the wedding on Friday and would appreciate some assistance if any ladies on the estate are keen to help. Please let us know before Friday if you can help.

The renovations on the fish pond are nearly complete and we hope to have the fish back in there by Friday.

MONTHLY MUG WINNERS BELOW

Men's Division: Ryan Forrest

Ladies Division: Mogie Moodley

Visitor's Division: Thomas Nicholson

Our Men played in the KZN Interclub this past weekend. The A Div side came 2nd overall - well played gents! The 2 Frog teams finished in the middle of the field. For most of our players, it was their first Interclub, so well done to all of you. Please see the insert from the Interclub Captain, Danny Dawah: "...the frogs almost made the cut 😊, great performance guys. Our first team made the finals and played Mt. Edgecombe in the semi-finals and won 2/1, however in the final we lost 1 / 2 to South Broom, thus finishing 2nd. Once again well done to Christiaan van der Merwe, Wesley Baptiste and Ruben Pullen for the outstanding performance.

Prince's Grant 1 – Position 24 Tied (C VD Merwe, D.Miller & S. Easton)

Prince's Grant – Position 26 (D.Dawah, Ian Murray & C. Murphy) "

To book for the following up and coming events being played here and at neighbouring clubs in November, please contact the pro shop;

6th November: Christopher's benefit golf day - R100-00 competition fee, with all proceeds going to Christopher. There is also a Booze Barrow raffle. the tickets are only R20-00 per ticket. The draw for this will take place on Saturday evening during the Prize giving.

7th November: The North Coast Regions Mixed foursomes - this is a 36 hole tournament - being played here at Prince's Grant.

13th November: North Coast League - being played at Umhlali Country Club.

14th November: Dolphin Coast Inter Estate final - being played here at Prince's Grant.

20th and 21st November: Prince's Grant Founders trophy
