

THE WAY LIFE SHOULD BE LIVED

10-16 JUNE 2010

The World Cup has finally arrived and the Prince's Grant Lodge is certainly the place to be tomorrow afternoon at 14h00. See the details about our exciting South African menu below and please join us for what will be an extraordinary day.

All indications are that, although we have an extended holiday, Prince's Grant will be relatively quiet. We have made provision for lifeguards during this period and we hope those who will be using the

estate, will enjoy our beach as much as our golf course. Anyone who is still undecided but has the opportunity to come to Prince's Grant during the holidays, this will be the place to be. Durban is advertising it as the "warmest place to be in South Africa" and we concur with this view.

The World Cup bookings in KZN, through FIFA's official booking agent MATCH, has been disappointing and as a result, we are still taking bookings for our Lodge

during this period. Any homeowners who might be aware of people who wish to find a place to stay during the World Cup must please direct them to our Lodge at 032-4820005.

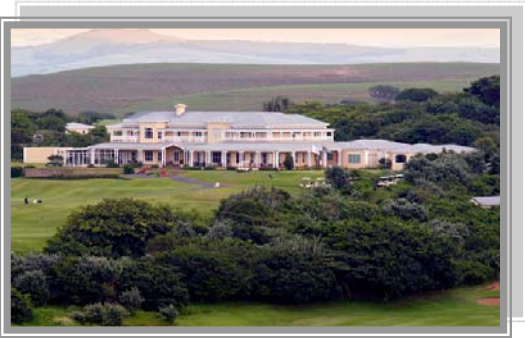

Hope everyone enjoys the opening match and the month ahead. If you are coming down to Prince's Grant please come and visit at our offices.

VIVA BAFANA BAFANA !

**Please note that on Friday, 11 June 2010, the HOA Offices will close at 14h00. Should you require any assistance, please contact security.**
