

THE WAY LIFE SHOULD BE LIVED

17-24 JUNE 2010

The holidays are in full swing and it is great to see Prince's Grant busier than normal. The bitterly cold spell that hit us on Tuesday morning is keeping most folk indoors, but we hope the glorious weather we experienced during the last two months will be back soon.

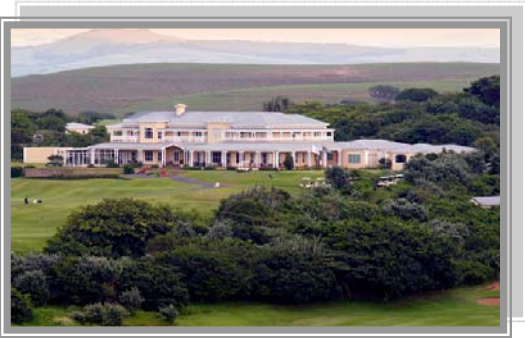

We have received confirmation from the SA Sunshine Tour that Prince's Grant has been selected to host the SAA Pro-Am professional golf tournament during the week 27 September 2010 – 2 October 2010. This is a week earlier than initially announced and as a result, our spring treatment that was planned for the first week in September will be delayed to October 2010. Becoming a regular host of a professional golf tournament gives great exposure to our Estate and facilities, exposure that would be unaffordable otherwise.

The soccer days/ evenings at the Prince's Grant Pub is just fantastic. It's a pity our pub facility is a bit cramped but we are doing our best to accommodate everyone. Please enjoy this tournament with fellow homeowners at the Clubhouse.

Regards,

Chris

BIRD WALK

We will be hosting a bird talk presented by Shelley Hedges at the Conference Centre on Sunday 27 June at 10.00a.m.

Shelley is an expert authority on bird calls and her knowledge is a delight. We will be doing the monthly bird walk on the property for Sapab 2 at 7.30a.m. and she will be with us.

It is a privilege for the community, at no charge. We definitely need support for these kinds of events.

The excitement of the Soccer World Cup has brought about some great enthusiasm at the lodge. We are all 100% behind Bafana Bafana!
