

THE WAY LIFE SHOULD BE LIVED

25 NOV - 01 DEC 2010

Dear Homeowners

December is here and it promises to be a full and busy season at Prince's Grant. To ensure all residents and their guests have the full enjoyment of the amenities Prince's Grant offers, we wish to remind homeowners, including those homeowners who have rented out their facilities to guests, that they must please avail themselves of the house rules of Prince's Grant. We will have a strong security presence during the holidays and every security officer has a mandate to ensure that rules are complied with throughout the season. A few "perennials" which we will concentrate on in particular during December includes:

- Unlicensed/ underage golf cart drivers. Please ensure that everybody is fully informed with regard to the golf cart rules on the estate.
- Parking will be at a premium and we will insist that where people have more cars than what parking is provided for on their properties, that those vehicles be parked at the common parking areas near the Lodge. Similarly, all caravans, trailers, boats, etc can only be parked within a

private garage or at designated areas. Our security officers will be able to assist .

- Utilising the beach and lagoon areas remain at your own risk. The ocean should be treated with utmost caution.
- Finally, the principle rules is to be considerate to one's neighbour with regard to noise, parking, appearance of houses and safety of everyone. Please assist our security personnel to ensure Prince's Grant remains a safe and enjoyable destination.

Homeowners and their guests are reminded that any security issue which they might come across must please be reported to the security personnel at 032-4820154 / 0003.

Our extensive holiday program is available on the Prince's Grant website: www.princesgrant.co.za

We hope everybody will enjoy this holiday at Prince's Grant.
