

THE WAY LIFE SHOULD BE LIVED

5 - 11 AUG 2010

This coming weekend (7th & 8th August 2010), the Prince's Grant Golf Club will host its 16th Annual Club Championships. Henry Human and Liezl Smit will both defend their men's and ladies Club Champion titles respectively. With more than a 100 entrants for this year's Club Championships, it promises again to be an exciting and joyful weekend.

Unfortunately, our golf course will not be up to its usual high standard during Club Champs. The reason for this is that after a very dry winter period some of our greens, in particular the 3rd, 4th and 7th greens, suffered from an infestation of "ground pearl". This disease that is a particular problem for paspalum grass is notoriously difficult to get rid off and the only "cure" is to ensure the grass plant is in a healthy and strong condition. Our Course Manager and greens team have done their best to eradicate the "ground pearl" but unfortunately in the process caused damage to the soil conditions which exacerbated the problem. A further error in fertilizer application resulted in the current poor condition of the greens. We are in close contact with our golf course consultants who are assisting in changing the situation around. Unfortunately, it will not be as good as we would wish it to be for Club Champs. We nevertheless hope that every member will enjoy the weekend.
