

THE WAY LIFE SHOULD BE LIVED

6 - 12 MAY 2010

During the past week, Prince's Grant hosted a very successful Ladies Golf Day with R3,840 raised by way of a raffle which money will go towards the school feeding scheme supported by our Prince's Grant ladies. Well done to our lady captain, Jeanne Miller, and her team, and to Kim Holt and her Proshop team, who made this such a fantastic day.

Homeowners will notice that we are doing some extensive work in the gardens surrounding our Lodge. This work will continue for the next couple of weeks and should be of great benefit to the general look of the estate once completed.

Some very good news is that the Sunshine Tour has announced that

Prince's Grant will again host the SAA Pro-Am Invitational Golf Tournament. The event is scheduled for 4 - 9 October 2010. More about this in the weeks and months ahead.

*Chris*

## COMMITTEES & GATHERINGS

### Board

The Board held its bi-monthly meeting on 24 April 2010 and the main issues of discussion were:

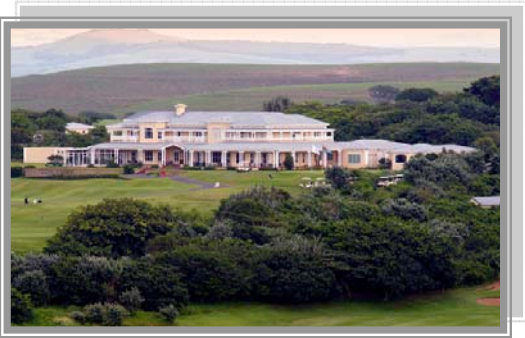

- The Lodge Management - It was decided that Lilien Paxton will be helping out as an interim measure until a new manager and/or management contract is considered. The Board also decided to appoint a "Lodge Custodians' Committee" which committee will consist of between three and five homeowners with specific expertise in interior design and/or hotel management.
- The various committees, i.e. building, golf, amenities, security sub-committee and golf custodians' committee, gave feedback on the progress made.
- The Board has decided to sell Lot 13, a property that was donated to the Homeowners' Association by the developers. The proceeds from this sale will be used for the purposes of the Prince's Grant Golf Development Fund.
- The Board adopted stricter measures for levy defaulters; these measures will include the suspension or restriction of services to a property where the owner has defaulted on levy commitments.
- A proposal by the University of Kwa-Zulu Natal to undertake an intensive research program on the possibility of alterna-

tive power was discussed, but due to the costs involved, it was decided not to proceed with this at this stage.

- A list of projects currently undertaken by the Estate Manager and her team was discussed. The list is available on the Prince's Grant website and homeowners who notice maintenance issues are encouraged to list these with the Estate Manager.
- As reported last week, the Chairman of the Board, Dave Miller, indicated he wished to resign from the Board with immediate effect.

The next Board meeting is scheduled for 26 June 2010.
