

## ***“MY SHOT” (This is a “mulligan”)***

Dear Homeowners

In the June 2007 Newsletter, I made reference to some interesting connotations between Prince's Grant and Carnoustie. A significant omission on my part was the achievement of our own Adilson De Silva who qualified for the British Open. Adilson is the fiancé of Althea whom we are all familiar with as the Lodge's Food and Beverage Manageress. As this is *“My Shot”*, I took the liberty of allowing myself a “mulligan” (for those of you who are unfamiliar with this golf term, it is used where a golfer in rare circumstances can play his shot again without penalty).

Adilson left on Monday, 09 July 2007 for Scotland (See Pictures below).

Another unbelievable sporting achievement is the victory of Liezel Huber and Kara Black in the ladies doubles at Wimbledon on Sunday. Although we are all proud of the achievements of Liezel as a South African, it is particularly significant for Prince's Grant as Liezel's parents are Homeowners here.

To Jan and Sica Horn, a proud and heartfelt congratulations on this magnificent achievement by Liezel.

**. THE WAY LIFE SHOULD BE LIVED.**

I'm also using this "mulligan" to bring to our homeowners attention, the fantastic conference facilities available at Prince's Grant (see below).

*Dear Homeowner*

*As you know our Jeremy Stubbs Conference Centre has recently opened and has proved to be a great success, why not hold your conference at your home away from home?*

*The Lodge at Prince's Grant would like to offer you the opportunity to conference in our new conference centre at a 10% discount on our normal rate and to also offer this discount to any referrals that you may make.*

*Please contact us on 032-4820005 and quote the reference number*

*H 1*

*Kind Regards*

*Derek and Rosanne*

\*\*\*\*\*

Regards  
Chris
