

Captain Zee's Golf bag: News letter no. 5

12th December 2011

It has been noted that there is an influx of upcountry members and guests over this past week which generally indicates that the festive season is upon us.

Many of you now have the opportunity of relaxing at your Prince's Grant home and enjoying the company of your family and friends, socializing, playing golf, strolling on the beach, swimming or sunbathing and on behalf of your Golf Committee I extend a very warm welcome to you all.

At the same time we ask you all to respect the privilege of being at Prince's Grant and adhering to the very basic norms and etiquette that goes with playing this great game on an outstanding golf course.

We ask that you respect those in our Proshop that are here to serve you. The starters and marshals whose job it is to ensure that you enjoy your game as other hope to enjoy theirs. Most importantly, please ensure that you maintain a steady pace of play by keeping up with the players in front of you. Basic rules and etiquette will be handed to you either at registration or on the tee box as a reminder of what the game is all about.

I personally hope to see as many of you as possible over this festive period either socializing at the Lodge or on the course, however if not, my wish to you is for a joyful and wonderful Christmas and may Peace and Prosperity be with you and yours throughout the coming year.

Kind regards,

Ivan Swaffield
Golf Captain
